VOTER TRENDS

(National Level Data, 2024)

- According to the 2024 Asian American Voter Survey (AAVS), 90% of Asian American voters say they plan to vote for President, Congress and other offices in November (compared to 93% in 2020 and 94% in 2016). Over two-thirds (68%) say they are absolutely certain they will vote in 2024.
- Nearly half of Asian American voters (46%) prefer voting by mail or dropping their ballot off, instead of voting in-person.
- 42% of Asian American voters say they have not been contacted by either of the two major political parties in the 2024 election season, including half (50%) who say they have not been contacted by the Democratic Party and 57% indicating not being contacted by the Republican Party.
